2 following new section:

3 Sec. 7. Section 79-1003.01, Revised Statutes Supplement,
4 2007, is amended to read:

5 79-1003.01 (1) For purposes of this section and section
6 79-1007.03, school fiscal year 2008-09, the department shall
7 calculate a summer school allowance for each district equal to
8 two and one-half percent of the summer school student units for
9 such district multiplied by eighty-five percent of the statewide
10 average general fund operating expenditures per formula student.

11 For purposes of this subsection, summer school student unit means
12 one student enrolled in summer school in a school district, whether
13 or not the student is in the membership of the school district,
14 for (1) at least three hours but fewer than six hours per day
15 and (2) at least twelve days but fewer than twenty-four days. Each

3 be calculated for each student enrolled in summer school in a
4 school district who attends such summer school for at least twelve
5 days, whether or not the student is in the membership of the school
6 district. The initial number of units for each such student shall
7 equal the sum of the ratios, each rounded down to the nearest whole
8 number, of the number of days for which the student attended summer
9 school classes in such district for at least three hours and less
10 than six hours per day divided by twelve days and of two times the
11 number of days for which the student attended summer school classes
12 in such district for six or more hours per day divided by twelve
13 days.

14 (3) Each school district shall receive an additional
15 summer school student unit for each summer school student unit
16 attributed to remedial math or reading programs. Each school
17 district shall also receive an additional summer school student
18 unit for each summer school student unit attributed to a free
19 lunch and free milk student. This section does not prevent school
20 districts from requiring and collecting fees for summer school,
21 except that summer school student units shall not be calculated
22 for ~~summer school programs for which fees are collected~~ school
23 districts which collect fees for summer school from students who
