

AMENDMENTS TO LR 284

Introduced by Judiciary.

1           1. Strike the resolved clauses and insert:

2           "1. That the Legislature expresses its profound regret  
3 for the state's role in slavery, especially during its Territorial  
4 period prior to statehood, and condemns racial discrimination in  
5 any form toward African-Americans.

6           2. That the Legislature encourages all citizens to teach  
7 their children about the history of slavery and its effects,  
8 especially as concerns modern day slavery, to ensure that these  
9 tragedies will neither be forgotten nor repeated.

10           3. That this resolution shall not be used in, or be the  
11 basis of, any type of litigation and shall not be deemed a waiver  
12 of the state's sovereign immunity."
