**Summary of purpose and/or changes:**

LB 135 provides that certain public records, the disclosure of which could reasonably be expected to jeopardize the security, health, safety or property of the public served by that entity, may be withheld from the public by the lawful custodian of the records.

These records include, but are not limited to: vulnerability assessments; architectural, engineering or construction diagrams; drawing or plans pertaining to security measures, emergency response

---

protocols, and records disclosing the configuration of critical systems or infrastructures of certain entities.

**Explanation of amendments, if any:**

---

**Senator Ray Aguilar, Chairperson**
