**Summary of purpose and/or changes:**

LB 279 allows a public or private educational facility to be designated a driver training school for commercial driver training.

The bill changes the definition of commercial driver training school to “driver training school.” This definition may include a public or private educational facility.

---

Rules and regulations which have been adopted prior to the effective date of this act shall remain in effect and be applicable to all driver training schools and instructors until new rules and regulations are adopted and promulgated.

**Explanation of amendments, if any:**
