Summary of purpose and/or changes:

LB 315 is the annual bill that is needed to update statutory references to the Internal Revenue Code that are outside the income tax statutes. The bill would amend section 49-801.01 to state that references to the Internal Revenue Code mean the Code as it exists on the effective date of LB 315 instead of March 7, 2006.

Explanation of amendments, if any:

Senator Ray Janssen, Chairperson
