**Summary of purpose and/or changes:**

LB 469 amends provisions of the Nebraska Health Care Funding Act (sections 71-7605 to 71-7614). The bill removes “school-based health clinics” from the list of entities or activities for which funds appropriated or distributed under the act may not be used. The bill would no longer prohibit funds under the act from being utilized by school-based health clinics

**Explanation of amendments, if any:**

---

**Senator Joel Johnson, Chairperson**
