Summary of purpose and/or changes:

LB 663 reallocates commercial motor vehicle registration fees to the Highway Allocation Fund.

For the registration fees received pursuant to §60-3,202, a collection fee of three percent of thirty percent shall be credited to the Motor Carrier Division Cash Fund, not the Department of Property Assessment and Taxation. The remainder of the thirty percent shall be credited to the

Highway Allocation Fund, rather than the Motor Vehicle Tax Fund. The remaining seventy percent shall continue to flow to the Highway Trust Fund.

Any money in the Motor Vehicle Tax Fund on the effective date of this act shall be transferred to the Highway Allocation Fund. Language outlining the creation of the Motor Vehicle Tax Fund and the method of distribution is stricken.

The bill also amends §79-1018.01 by allowing pro rata motor vehicle license fee receipts received prior to September 1, 2006 to be considered an actual receipt.

An operative date of September 1, 2007 is provided.

Explanation of amendments, if any:
