**Representing:**

**Neutral:**

None

**Representing:**

---

**Summary of purpose and/or changes:**

LB 664 does the following:

Section 1      Strikes subsection (l) from the Geologists Regulation Act. This section says that work for which state approval or permitting is required does not require licensure as a geologist so long as such activity is in accordance with other requirements of law, rules or regulations pertaining to the use of a geologist.

---

**Explanation of amendments, if any:**

None

---

**Senator LeRoy Loudon, Chairperson**
