Summary of purpose and/or changes:

The purpose of LB 79 is to eliminate duplicate reporting requirements under the Nebraska Litter Reduction and Recycling Act and the LB 528 Annual Report.

Section 1 Clarifies that the annual report is to be sent to the Governor as well as the Legislature.
 Requires that the report be for the previous state fiscal year relating to the purpose of the Nebraska Litter Reduction and Recycling Act, including the Nebraska Litter Reduction and Recycling Fund.

Section 2 Eliminates the requirement that the Department of Environmental Quality submit a separate report regarding the Nebraska Litter Reduction and Recycling Act.

Explanation of amendments, if any:
