**Summary of purpose and/or change:**

LB 840 would add the plant *Salvia Divinorum*, to the controlled substances act. This inclusion on the controlled substances act would include all parts of this plant, any seed, derivative, mixture, extract, or salt, whether it was growing or not. This plant would be classified as a Schedule I drug under the controlled substances act.

**Explanation of amendments, if any:**

**AM 1690 TO LB 840**

AM 1690 would strike the word "and" on page 10 line 14; strike "or Salvinorin A" on lines 15 and 16 and in line 23 strike the period and insert "; and (35) Salvinorin A."
