Summary of purpose and/or changes:

LR 39 is a legislative resolution that “urges the members of Nebraska’s congressional delegation to ensure that Congress fully fund mental health and substance abuse treatment.” The resolution also “urges the Governor to use his best efforts to work with the Nebraska congressional delegation to ensure that this funding is restored.”

The resolution also includes a legislative proclamation that “all components of state government should work together to ensure mental health and substance abuse treatment funding.”

Explanation of amendments, if any:

The committee amendment strikes paragraph 3 of the resolution
