

LEGISLATURE OF NEBRASKA

ONE HUNDREDTH LEGISLATURE

SECOND SESSION

**LEGISLATIVE BILL 606**

FINAL READING

Introduced by Ashford, 20; Flood, 19; Howard, 9; Lathrop, 12;  
Langemeier, 23; Pahls, 31.

Read first time January 17, 2007

Committee: Judiciary

A BILL

1 FOR AN ACT relating to public health and welfare; to amend section  
2 71-7608, Revised Statutes Supplement, 2007; to adopt the  
3 Stem Cell Research Act; to provide funding; to repeal the  
4 original section; and to declare an emergency.  
5 Be it enacted by the people of the State of Nebraska,

1           Section 1. Sections 1 to 6 of this act shall be known and  
2 may be cited as the Stem Cell Research Act.

3           Sec. 2. For purposes of the Stem Cell Research Act:

4           (1) Committee means the Stem Cell Research Advisory  
5 Committee;

6           (2) Human embryo means the developing human organism  
7 from the time of fertilization until the end of the eighth week  
8 of gestation and includes an embryo or developing human organism  
9 created by somatic cell nuclear transfer; and

10          (3) Somatic cell nuclear transfer means a technique in  
11 which the nucleus of an oocyte is replaced with the nucleus of a  
12 somatic cell.

13          Sec. 3. (1) The Stem Cell Research Advisory Committee is  
14 created. The committee shall consist of the dean of every medical  
15 school in Nebraska that is accredited by the Liaison Committee on  
16 Medical Education or his or her designee and additional members  
17 appointed as follows: (a) The dean of every medical school in  
18 Nebraska shall nominate three scientists from outside Nebraska  
19 conducting human stem cell research with funding from the National  
20 Institutes of Health of the United States Department of Health and  
21 Human Services; and (b) the chief medical officer as designated  
22 in section 81-3115 shall select two of such scientists from each  
23 set of nominations to serve on the committee. Appointments by the  
24 chief medical officer pursuant to this subsection shall be approved  
25 by the Legislature. Members appointed by the chief medical officer

1 shall serve for staggered terms of three years each and until  
2 their successors are appointed and qualified. Such members may be  
3 reappointed for additional three-year terms.

4 (2) The committee shall meet not less than twice each  
5 year.

6 (3) Members of the committee not employed by medical  
7 schools in Nebraska shall receive a stipend per meeting to be  
8 determined by the Division of Public Health of the Department of  
9 Health and Human Services based on standard consultation fees,  
10 and all members of the committee shall be reimbursed for their  
11 actual and necessary expenses incurred in service on the committee  
12 pursuant to sections 81-1174 to 81-1177.

13 Sec. 4. (1) The committee shall establish a grant  
14 process to award grants to Nebraska institutions or researchers  
15 for the purpose of conducting nonembryonic stem cell research.  
16 The grant process shall include, but not be limited to, an  
17 application identifying the institution or researcher applying for  
18 the grant, the amount of funds to be received by the applicant from  
19 sources other than state funds, the sources of such funds, and a  
20 description of the goal of the research for which the funds will be  
21 used and research methods to be used by the applicant.

22 (2) The committee shall annually report to the  
23 Legislature the number of grants awarded, the amount of the grants,  
24 and the researchers or institutions to which the grants were  
25 awarded. No more than three years after the effective date of this

1 act, the committee shall report to the Legislature on the progress  
2 of any projects that have been awarded grants under the Stem Cell  
3 Research Act.

4           Sec. 5. (1) The Stem Cell Research Cash Fund is created.  
5 Any money in the fund available for investment shall be invested  
6 by the state investment officer pursuant to the Nebraska Capital  
7 Expansion Act and the Nebraska State Funds Investment Act.

8           (2) Money credited to the Stem Cell Research Cash  
9 Fund pursuant to section 71-7608 shall be used to provide a  
10 dollar-for-dollar match, up to five hundred thousand dollars per  
11 fiscal year, of funds received by institutions or researchers  
12 from sources other than funds provided by the State of Nebraska  
13 for nonembryonic stem cell research. Such matching funds shall be  
14 awarded through the grant process established pursuant to section 4  
15 of this act. No single institution or researcher shall receive more  
16 than seventy percent of the funds available for distribution under  
17 this section on an annual basis.

18           (3) Up to three percent of the funds credited to the  
19 Stem Cell Research Cash Fund shall be available to the Division  
20 of Public Health of the Department of Health and Human Services  
21 for administrative costs, including stipends and reimbursements  
22 pursuant to section 3 of this act.

23           Sec. 6. No state facilities, no state funds, fees, or  
24 charges, and no investment income on state funds shall be used to  
25 destroy human embryos for the purpose of research. In no case shall

1 state facilities, state funds, fees, or charges, or investment  
2 income on state funds be used to create a human embryo by somatic  
3 cell nuclear transfer for any purpose.

4           Sec. 7. Section 71-7608, Revised Statutes Supplement,  
5 2007, is amended to read:

6           71-7608 The Nebraska Tobacco Settlement Trust Fund is  
7 created. The fund shall include any settlement payments or other  
8 revenue received by the State of Nebraska in connection with any  
9 tobacco-related litigation to which the State of Nebraska is a  
10 party. The Department of Health and Human Services shall remit such  
11 revenue to the State Treasurer for credit to the fund, except that  
12 (1) of such revenue received on or after April 1, 2005, two million  
13 five hundred thousand dollars shall be credited annually to the  
14 Tobacco Prevention and Control Cash Fund and (2) within seven days  
15 after the effective date of this act, and on July 1 of each year  
16 thereafter, five hundred thousand dollars shall be credited to the  
17 Stem Cell Research Cash Fund created under section 5 of this act.

18 Subject to the terms and conditions of such litigation, money from  
19 the Nebraska Tobacco Settlement Trust Fund shall be transferred to  
20 the Nebraska Health Care Cash Fund as provided in section 71-7611.  
21 Any money in the Nebraska Tobacco Settlement Trust Fund available  
22 for investment shall be invested by the state investment officer  
23 pursuant to the Nebraska Capital Expansion Act and the Nebraska  
24 State Funds Investment Act.

25           Sec. 8. Original section 71-7608, Revised Statutes

1 Supplement, 2007, is repealed.

2                   Sec. 9. Since an emergency exists, this act takes effect

3 when passed and approved according to law.
