A BILL

1 FOR AN ACT relating to the State Treasurer; to authorize the
2 State Treasurer to collect certain bad debt fees
3 electronically; and to authorize a bad debt data base.
4 Be it enacted by the people of the State of Nebraska,

1 Section 1. (1) The State Treasurer may collect a fee
2 electronically or by other means equal to the cost of processing
3 any payments for returned check charges or charges for electronic
4 payments not accepted. The fee shall be remitted to the Treasury
5 Management Cash Fund. The fee shall be used to offset the
6 cost incurred from the collection of bad debt incurred by state
7 agencies.

8 (2) The State Treasurer may maintain a data base of
9 individuals and businesses that have remitted payments to the state
10 resulting in returned checks or returned electronic payments. After
11 the payor has originated two bad debt payments to the state in a

13 by check and may require a money order, cash, a cashier's check, or
14 a certified check for payment.
