A BILL

1 FOR AN ACT relating to jury selection; to amend section 25-1628,
2 Revised Statutes Cumulative Supplement, 2006; to provide
3 for the use of driver's license numbers; and to repeal
4 the original section.

5 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 25-1628, Revised Statutes Cumulative
2 Supplement, 2006, is amended to read:

3 25-1628 (1) At least once each calendar year, the officer
4 having charge of the election records shall furnish to the jury
5 commissioner a complete list of the names, dates of birth, driver's
6 license numbers, and addresses of all registered electors nineteen
7 years of age or older in the county. The Department of Motor
8 Vehicles shall make available to each jury commissioner each
9 December a list in magnetic, optical, digital, or other electronic
10 format mutually agreed to by the jury commissioner and the
11 department containing the names, dates of birth, driver's license
12 numbers, and addresses of all licensed motor vehicle operators
13 nineteen years of age or older in the county. The jury commissioner
14 may request such a list of licensed motor vehicle operators from
15 the county treasurer if the county treasurer has an automated
16 procedure for developing such lists. If a jury commissioner
17 requests similar lists at other times from the department, the
18 cost of processing such lists shall be paid by the county which the
19 requesting jury commissioner serves.

20 (2) Upon receipt of both lists described in subsection
21 (1) of this section, the jury commissioner shall combine the
22 separate lists and attempt to reduce duplication to the best
23 of his or her ability to produce a master list. In counties
24 having a population of three thousand inhabitants or more, the
25 jury commissioner shall produce a master list at least once each

1 calendar year. In counties having a population of less than three
2 thousand inhabitants, the jury commissioner shall produce a master
3 list at least once every two calendar years.

4 (3) The proposed juror list shall be derived by selecting
5 from the master list the name of the person whose numerical order
6 on such list corresponds with the key number and each successive
7 tenth name thereafter. The jury commissioner shall certify that
8 the proposed juror list has been made in accordance with sections
9 25-1625 to 25-1637.

10 (4) Any duplication of names on a master list shall not
11 be grounds for quashing any panel pursuant to section 25-1637 or
12 for the disqualification of any juror.

13 Sec. 2. Original section 25-1628, Revised Statutes
14 Cumulative Supplement, 2006, is repealed.
