8 (2) If the estimated cost exceeds the sum of one hundred

2 (b) Any contract for which the governing body has
3 approved an engineer's certificate described in subdivision (a) of
4 this subsection shall be advertised in three issues, not less than
5 seven days between issues, in one or more newspapers of general
6 circulation in the municipality or county where the principal

10 additional newspapers or trade or technical periodicals as may be
11 selected by the governing body in order to give proper notice of
12 its intention to enter into such contract, and any such contract
13 shall not be entered into prior to twenty days after the last
