

ONE HUNDREDTH LEGISLATURE

SECOND SESSION

LEGISLATIVE RESOLUTION 306

Introduced by Janssen, 15.

PURPOSE: In recent years, latex allergy has become an emerging issue. As a result, many states have passed legislation that prohibits the use of latex in public places, such as hospitals, schools, and restaurants. The purpose of this resolution is to review the impact of such laws in other states, the prevalence of the use of latex in public places in Nebraska, and efforts made by groups or industries to restrict or eliminate the use of latex.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDREDTH LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That the Health and Human Services Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
