

ONE HUNDREDTH LEGISLATURE
SECOND SESSION
LEGISLATIVE RESOLUTION 369

Introduced by Schimek, 27.

PURPOSE: To examine policy changes that should be pursued in order to provide further guidance and oversight of Nebraska's home schools. The committee shall conduct a study of the following:

(1) Current statutory framework established for the creation of all types of nonaccredited schools in Nebraska and how that relates to original legislative intent;

(2) Potential improvements that can be made to existing statute due to the increased number of home schools, in order to reflect current trends;

(3) Any data that can be drawn from only Nebraska home schools to demonstrate how well the state's home school students are performing;

(4) Existing case law enabling states to provide oversight to home schools; and

(5) Proposals that would enable Nebraska to provide sufficient oversight through the testing of home school students or other mechanisms in order to evaluate home school students.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDREDTH LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That the Education Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes

of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
