**Date of Hearing:** February 14, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Currently, Nebraska Statute 28-1310 prohibits certain intimidating, threatening, or harassing activity via the telephone.

LB 1106 would simply update the statute in light of the development of new communication technologies.

Under LB 1106, not only would such activity be prohibited via a telephone, but also via any electronic communication device.
