LB 1122

Chairperson: Joel Johnson
Committee: Health and Human Services
Date of Hearing: February 21, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The language of LB 1122 would establish a category of medical assistance required under state law which is in addition to the medical assistance required under Title XIX of the federal Social Security Act as set forth in section 68-911(1).
