

Hundredth Legislature - First Session - 2007
Introducer's Statement of Intent
LB 153

Chairperson: Ron Raikes
Committee: Education
Date of Hearing: February 12, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Repeated unsuccessful court cases regarding school district boundaries and negotiations over annexed land of a city is not the best use of tax dollars. Therefore, in an effort to discourage such repeated unsuccessful court cases, this bill proposes to award the defendant school district court costs, reasonable attorney's fees and other expenses directly related to the defense of such action. These costs would be paid by the plaintiff school district when the case is unsuccessful.
