

Hundredth Legislature - First Session - 2007
Introducer's Statement of Intent
LB 20

Chairperson: Brad Ashford
Committee: Judiciary
Date of Hearing: February 14, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 20 would require a natural resource district to grant to the public a right of access to its projects for recreational use when the portion of the project cost paid by the natural resources district with public funds exceeds five percent of the total cost of the project. This would ensure that the public would have access for recreational use to projects which have been created with public funds.
