

Hundredth Legislature - First Session - 2007
Introducer's Statement of Intent
LB 292

Chairperson: Joel Johnson
Committee: Health and Human Services
Date of Hearing: February 21, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 292 permits an intergovernmental transfer of money by allowing counties to make assistance payments to the Department of Health and Human Services Finance and Support. Under current law those payments are made directly to the provider. The Department of Health and Human Services would then forward the assistance payments to the appropriate provider.
