

Hundredth Legislature - First Session - 2007
Introducer's Statement of Intent
LB 360

Chairperson: Deb Fischer
Committee: Transportation and Telecommunications
Date of Hearing: February 13, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Current statute allows for persons who qualify for a Purple Heart license plate to purchase only one specialized license plate regardless of how many vehicles they may own. LB 360 would allow a qualified applicant to purchase a Purple Heart license plate for no more than two motor vehicles, two trailers, or a motor vehicle and a trailer at any one time.

This would allow a qualified applicant to put Purple Heart license plates on up to two of their vehicles at a time upon payment of the regular license fee and the additional five dollar fee required for the specialized Purple Heart license plate.
