

Hundredth Legislature - First Session - 2007
Introducer's Statement of Intent
LB 390

Chairperson: LeRoy Louden
Committee: Natural Resources
Date of Hearing: February 2, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 390 deals with underground storage tanks, how to designate a tank with a leakage problem and with operator training. It brings state law into compliance with federal law by adding to the State Fire Marshal's list of items for which they promulgate rules and regulations.

LB 390 changes Neb. Rev. Statute 81-15,123 to include provisions to prohibit delivery to, deposit into, or the acceptance of a regulated substance into an underground storage tank which has been identified by the State Fire Marshal to be ineligible for such delivery, deposit, or acceptance. It also adds the duty of training and certification of operators with an effective date of August 8, 2009.
