**Introducer's Statement of Intent**  
**LB 560**

---

**Chairperson:** Deb Fischer  
**Committee:** Transportation and Telecommunications  
**Date of Hearing:** January 30, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 560 amends the current wireless telecommunications registry to require that all communications providers, who are not certified by the Public Service Commission, file limited contact information with the Commission and pay a one-time \$50 registration fee.

This will ensure that the Commission has sufficient contact information for purposes of NUSF, Wireless E911, Relay services and consumer complaints. It will also help the Commission gather data regarding broadband deployment in the state.
