

Hundredth Legislature - First Session - 2007  
**Introducer's Statement of Intent**  
**LB 586**

---

**Chairperson:** Brad Ashford  
**Committee:** Judiciary  
**Date of Hearing:** February 1, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 586 would change the statute which authorizes creation of liens for health care providers to require that those liens not exceed the amount that would have been payable had the claim been filed with health insurance, Medicare or Medicaid. Health providers' liens would have to reflect any discount which would have been applicable had the claim been filed.
