Committee: Transportation and Telecommunications
Date of Hearing: February 20, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The purpose of this bill is to mandate a motorcycle safety training course as part of a three step process when obtaining a Class M Endorsement. This would require individuals to take the safety training course prior to obtaining a learner's permit. Persons age 21 and over currently holding a Class M Endorsement when this bill is enacted would be grandfathered in and would not be required to take the class.
