

Hundredth Legislature - First Session - 2007  
**Introducer's Statement of Intent**  
**LB 591**

---

**Chairperson:** Mike Friend  
**Committee:** Urban Affairs  
**Date of Hearing:** February 20, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 591 amends section 16-901 to allow cities of the first class whose corporate limits are adjacent to a governmental installation which cannot be annexed to extend their two-mile zoning jurisdiction from the boundary of the governmental installation.

Under current law, a city may not be able to annex around a governmental installation without the annexation being considered an illegal strip annexation or due to the area being agricultural in nature. LB 591 will give cities of the first class the ability to extend their jurisdiction into their future growth areas without being impeded by a governmental installation.
