

Hundredth Legislature - First Session - 2007  
**Introducer's Statement of Intent**  
**LB 698**

---

**Chairperson:** Ray Janssen  
**Committee:** Revenue  
**Date of Hearing:** February 21, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Nebraskans should be able to know what their taxes are and for what purpose they are levied.

LB 698 compels the Department of Revenue to provide a single-line, internet-ready summary of each tax or tax rate that can be levied upon any Nebraska taxpayer based on the situs of the taxpayer's property.

The purpose of the bill is to provide Nebraska taxpayers with an easily discernible resource for personal finance and to educate our citizens on state spending, as they are more likely to pay heed to government expenditures once sensitized to their tax burden.
