

Hundredth Legislature - Second Session - 2008  
**Introducer's Statement of Intent**  
**LB 874**

---

**Chairperson:** Deb Fischer  
**Committee:** Transportation and Telecommunications  
**Date of Hearing:** February 11, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 874 strikes the words “rubber-tired crane with a fixed load” and replaces it with “self-propelled specialized mobile equipment”. This change allows companies which use equipment like truck-mounted boom pumps to receive a yearly statewide permit rather than continually purchasing a 10 day state-highway permit.

Colorado and Kansas allow a yearly permit and Iowa allows for the purchase of a three year permit.
