

Hundredth Legislature - Second Session - 2008
Introducer's Statement of Intent
LB 919

Chairperson: Deb Fischer
Committee: Transportation and Telecommunications
Date of Hearing: February 5, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 919 amends the statute governing the International Registration Plan so that a refund of registration fees for an apportioned vehicle is calculated from the date of the event involving the vehicle that triggers the refund, instead of the date of the application for a refund. Transactions that may trigger a refund include transfer of ownership, loss of possession due to fire or theft, the vehicle was wrecked, junked, or dismantled, or the vehicle was disabled and removed from service.

This has been the current practice regarding vehicles that are county plated in Nebraska. LB 919 puts the same practice in place for apportioned vehicles.

Senator Deb Fischer
