

Hundredth Legislature - Second Session - 2008  
**Introducer's Statement of Intent**  
**LB 942**

---

**Chairperson:** Brad Ashford  
**Committee:** Judiciary  
**Date of Hearing:** February 22, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 942 provides conditions for revocation of parole. Current law provides that the Parole Board “may **at any time** revoke the parole of an offender or recommit him or her to the Department of Correctional Services **with or without cause.**”

This bill removes the bold language and inserts language that states that the Board may revoke parole “if, after a hearing, the board finds substantial evidence that the parolee has violated one or more conditions of his or her parole”.

The intent of the bill is to insure that the Parole Board must have at least substantial evidence that the parolee actually violated the conditions of his or her parole before such parole can be revoked.
