

Hundredth Legislature - Second Session - 2008
Introducer's Statement of Intent
LB 991

Chairperson: Ray Aguilar
Committee: Government, Military and Veterans Affairs
Date of Hearing: January 31, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

This bill would allow Nebraskans to register to vote on Election Day of any election. The elector may fill out a registration form at either his or her County Election Commissioner's Office, County Clerk's Office, or polling place. If the elector is registering in Nebraska for the first time, then he or she will be required to provide a current and valid photo identification, or a utility bill, bank statement, government check, paycheck, or other government document that is current and shows the name and address of the elector as they appear on the application. The ballots of those registering on Election Day and voting would not be treated as provisional, but would be collected and counted like all other ballots.

Principal Introducer:

Senator Bill Avery
