Summary of purpose and/or changes:

LB 196 changes provisions of the Rural Health Systems and Professional Incentive Act (act) (sections 71-5650 to 71-5670). The bill makes all student loan and student loan repayment agreements entered into under the act exempt from the provisions of sections 73-501 to 73-509 governing state contractual services with independent contractors. Under the bill, recipients of student loan or loan repayment awards under the act would not be considered independent contractors for purposes of sections 73-501 to 73-509.
