Summary of purpose and/or changes:

LB 207 contains three provisions relating to state buildings and properties.

The first provision provides that the Governor's Residence Advisory Commission will conduct an annual inspection of the Governor's residence. Current law requires the inspection to be completed in June.

The second provision allows the Department of Administrative Services to lease state property to a private entity to provide necessary services when the space is not needed for public use.

Finally, the bill outright repeals section 81-1108.40 which allowed the Department of Administrative Services to purchase a building to house the Nebraska Library Commission.
