Summary of purpose and/or changes:

LB 3, introduced by the Speaker at the request of the Governor, authorizes transfers from certain funds to the General Fund at the direction of the Legislature.

This legislative bill contains the emergency clause.

Explanation of amendments:

The amendment, which becomes the bill, eliminates authorization for certain transfers, sunsets the authorization period for some fund transfers and adds authorization for transfers for other funds. With the amendment, the bill remains a general authorization bill for transfers - actual transfer amounts by fiscal year are contained in LB1. Detailed information is contained in the report, "Appropriations Committee Budget Recommendations - 101st Legislature - First Special Session."
