Summary of purpose and/or changes:

LB 743 creates two new sections of law that would authorize the Game and Parks Commission to convey Arnold State Recreation Area in Custer County to the village of Arnold for public park purposes, and Atkinson State Recreation Area in Holt County to the city of Atkinson for public park purposes. The bill also provides legal descriptions of the land and a statement that if either town ceases to operate the land as a public park and recreation area that the title will revert to Game and Parks.

The bill also repeals outright section 90-215, which authorized the Game and Parks Commission to convey Arnold State Recreation Area to Custer County in 1973.
