Summary of purpose and/or changes:

LB 767 requires counties, when enacting ordinances dealing with abandoned motor vehicles, to include provisions requiring advance notice by the county to the last registered owner of the vehicle, if any, and to the holder of any lien against the vehicle before vesting the title of the motor vehicle in the county or the sale of the vehicle.

The bill also contains an emergency clause.

Explanation of amendments:

The committee amendment replaces the original sections of the bill.

The amendment clarifies that the current provisions in law dealing with abandoned motor vehicles will apply to any county having custody of an abandoned motor vehicle pursuant to a county abandoned motor vehicle ordinance.
