**Summary of purpose and/or changes:**

LB 791 allows the Secretary of State to provide for the electronic transmission and filing of documents under the Business Corporation Act, the Limited Liability Company Act, the Nebraska Limited Cooperative Association Act, the Nebraska Nonprofit Corporation Act, the Nebraska Professional Corporation Act, the Nebraska Uniform Limited Partnership Act, the Nonstock Cooperative Marketing Act, the Uniform Partnership Act of 1998, and the Trademark Registration Act.

The bill also provides for the electronic transmission and filing of documents under any filing provisions for cooperative corporations, cooperative farm land companies, and trade names.

The Secretary of State will adopt and promulgate rules and regulations to implement these provisions.

---

**Explanation of amendments:**

The committee amendment eliminates language in the Business Corporation Act which prohibits the delivery of documents by electronic transmission.
