Committee: Education

A BILL

- 1 FOR AN ACT relating to schools; to state intent relating to state
- 2 aid distributions; and to require certain expenditures as
- 3 prescribed.
- 4 Be it enacted by the people of the State of Nebraska,

1 Section 1. It is the intent of the Legislature that
2 public school teachers be paid a portion of the employing school
3 districts' state aid distribution pursuant to Chapter 79, article
4 10, equivalent to the percentage of the school district's annual
5 budget for teachers' salaries and benefits.

6 Sec. 2. A school district shall annually expend on
7 teachers' salaries and benefits a percentage of its annual state
8 aid distribution pursuant to Chapter 79, article 10, which is
9 equivalent to the percentage of the school district's annual budget
10 for such salaries and benefits.
