

ONE HUNDRED FIRST LEGISLATURE

FIRST SESSION

LEGISLATIVE RESOLUTION 150

Introduced by Campbell, 25.

PURPOSE: To study issues related to the Department of Health and Human Services' plan to contract for delivery of medicaid services using an at-risk capitated managed care model. The study shall include, but not be limited to: A review of the department plan, timeline, goals, and objectives for implementation of an at-risk systems contract; determination of quality performance incentives and penalties, as well as other contract objectives, which should be included in any request for proposal for such services; and how such a system will change current service delivery with attention to improving cost-effectiveness and promoting safety, progress, and recovery with limited resources.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED FIRST LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Health and Human Services Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
