

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 1056

Chairperson: Chris Langemeier
Committee: Natural Resources
Date of Hearing: February 10, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1056 would limit pumping from an aquifer when certain depletion measurements in a river basin are met.

The purpose of LB 1056 is to protect against surface water depletions and for the Nebraska agricultural community to be able to double production in the coming decades. The regulations would apply in all 23 natural resources districts.
