LB 1102

Chairperson: Brad Ashford
Committee: Judiciary
Date of Hearing: February 10, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1102 would allow Nebraska licensed horse racing premises the ability to install and operate Instant Racing Terminals. Under the bill, it shall be a Class III misdemeanor to install and operate Instant Racing Terminals outside the premises of a Nebraska licensed horse racetrack.

The purpose of the installation of Instant Racing Terminals is to allow the Nebraska horse racing industry to provide an additional mode of horse race wagering inside the premises of a licensed horse racetrack. The Instant Racing Terminals will provide revenue to the State of Nebraska and Nebraska's licensed horse racetracks. Consequently, Instant Racing Terminals will provide for the preservation of jobs associated with the Nebraska horse racing industry.
