LB 132

Chairperson: **Tim Gay**
Committee: **Health and Human Services**
Date of Hearing: **January 23, 2009**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB132 allows for greater efficiency and clarity with regard to the licensure of barbers, barber shops, barber instructors, and barber schools under the Barber Act. The bill allows the Board of Barber Examiners to issue certain license renewals every even-numbered year rather than each year. LB132 also creates a means for licensure of both those licensed in other jurisdictions without an examination and those independent contractors who lease space in a licensed barber shop.
