The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The purpose of Legislative Bill 268 is to require child care facilities that are licensed by the State of Nebraska to provide written proof of liability insurance coverage prior to the issuance of their license. The coverage would have to be at a level of at least \$100,000 per occurrence and failure to maintain the required level of coverage would result in the licensee being deemed noncompliant with the Child Care Licensing Act.
