**Introducer's Statement of Intent**  
**LB 323**

**Chairperson:** Deb Fischer  
**Committee:** Transportation and Telecommunications  
**Date of Hearing:** February 23, 2009

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Presently, Neb. Rev. Stat. 60-3,186 directs each county treasurer to distribute revenues generated by the Motor Vehicle Tax to the county, the city of vehicle registration, and the school districts at the rate of 22%, 18% and 60%, respectively.

LB 323 proposes the utilization of this existing mechanism to provide needed funding to the political subdivisions of Nebraska for road building and maintenance. LB 323 amends § 60-3,186 by increasing the distribution to counties from 22% to 25% and to cities from 18% to 20% by decreasing the distribution from 60% to 55% for school districts. The additional percentage allocated to both counties and cities is required to be dedicated to road building and maintenance.
