LB329 would allow for the design and marketing of a Nebraska Firefighter license plate. The applicants for the firefighter plates would have to be serving as a volunteer or full-time firefighter in this state, and would also have to have a letter signed by the fire chief of the department in which the firefighter is serving.

The fee charged for the plates would go into the Department of Motor Vehicles Cash fund and the Firefighter Response Cash Fund. The Firefighter Response Cash Fund will be used by the State Fire Marshal to provide training for Fire department personnel and other emergency response personnel.
