

One Hundred First Legislature - First Session - 2009  
**Introducer's Statement of Intent**  
**LB 411**

---

**Chairperson:** Russ Karpisek  
**Committee:** General Affairs  
**Date of Hearing:** March 9, 2009

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 411 would update the Nebraska State Electrical Act to reflect changes in the National Electrical Code. Ordinarily, the State Electrical Act is updated every three years to correspond to changes in the National Electrical Code, but the act has not been updated since the 2005 changes. LB 411 would update Nebraska's current minimum standards for electrical wiring from the previous 2005 standards to the most recent 2008 standards.

**Principal Introducer:**
