**LB 49**

---

**Chairperson:** Deb Fischer  
**Committee:** Transportation and Telecommunications  
**Date of Hearing:** January 20, 2009

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 49 will require the consolidation of motor vehicle and motorboat services to the county treasurer's office. These services include certificate of titles, registrations, license plates, renewal decals, the notation and cancellation of liens, and the collection of taxes and fees.

The bill will streamline the county's practices and make the process more customer-friendly. In addition, duplicate equipment will not be required for both the county clerk and treasurer.

Forty-seven of the ninety-three counties have already combined vehicle titling and registration services into one office.
