

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 723

Chairperson: Deb Fischer
Committee: Transportation and Telecommunications
Date of Hearing: February 1, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 723 strikes a requirement that the Telecommunication Relay System surcharge be remitted monthly to the Public Service Commission. This will allow the Commission to determine the timing of remittance.

The surcharge is currently \$.03 per month, and smaller companies are being required to remit the surcharge in what may amount to a few dollars. This change in statute will allow for a more efficient collection process by the Commission.
